Good morning Kristen,

I hope you had a nice weekend.

As recommended at the end of our City of Maquoketa/ Clinton Engines TBA application discussion on 1/15, I connected with Stan Walker to determine how to move forward. He recommended that I connect with IDNR one more time to make sure I have all the facts straight. I would like to speak with you before I connect with IDNR to make sure we are on the same page and also to figure out if you would like to be on the short call with IDNR too.

Thank you,

Lisa Dunning
